## URBANA JUNIOR HIGH SCHOOL

May 13, 2022

### **Attention 6<sup>th</sup> grade parents:**

As your student prepares to enter 7<sup>th</sup> grade, it is important to know there are immunization requirements prior to the first day of school. In Ohio it is required to have a booster dose of Tdap (Tetanus, diphtheria and pertussis) and the Meningococcal vaccine prior the 1<sup>st</sup> day of school.

Now is the time to check with your medical provider to see if your child has had these vaccines. Copies of the written record from your child's immunization provider can be brought to the Jr High before attending the first day of the 2022-23 school year. You can also email a copy to NursesK8@urbanacityschools.org.

**Contact your school nurses if you have any questions @ 937-653-1439 ext. 2117.**

### **House Board Game Competitions**

During the month of April, students had time in House to play board games. Houses then selected students to participate in a House competition. We had students compete in Connect Four, Uno, Euchre, Battleship, and Corn Hole.

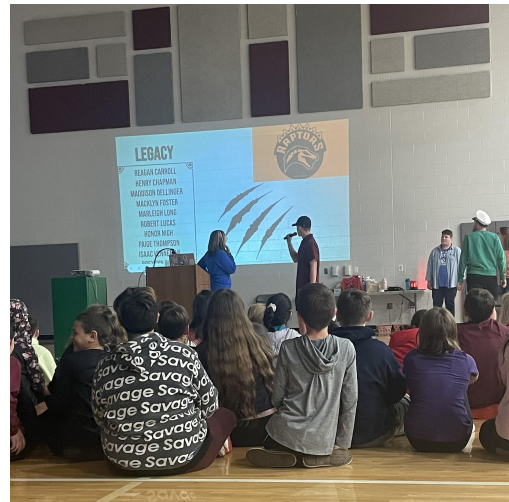

### **Fifth Graders Welcomed “Home!”**

On Friday May 6th, the first annual “House Draft” took place at the Urbana K-8 building. Students who attend Urbana Jr. High are divided into “Houses” and this year incoming 6th graders were welcomed into their new House families during an exciting, fun-filled assembly. The four Houses are Mohawk, Five Points, Guttridge, and Toll Run. The “House” system was implemented three years ago as a way to provide students emotional and academic support. All four houses receive points during the year for positive behavior, academic excellence, and competitions that involve artistic and creative skills as well as physical ability. At the end of the year the House family with the most points wins the House Cup!
